

# Subdivision Duet #4

## Dotted Quarter Notes

Mozart, arr. AEGriffiths

### Review of things we already know:

- quarter notes get 1 beat each
- eighth notes are each worth 1/2 of a beat, so it takes 2 eighth notes to fill an entire beat
- half notes get 2 beats each, so it takes 4 eighth notes to fill a half note (2 full beats)

Part 1

Part 2

### Below are 3 versions of the beginning of Twinkle, Twinkle:

The bottom part is *exactly* the same in each version; the top part changes its rhythm each time.

**Version #1:** The Twinkle, Twinkle melody is in basic quarter notes:

Part 1

Part 2

**Version #2:** The Twinkle, Twinkle melody is now syncopated:

Part 1

Part 2

**Version #3:** The Twinkle, Twinkle melody is syncopated again, but differently than in the previous version:

Part 1

Part 2
