

# Minor Pentatonic Scale and the Blues Scale

AEGriffiths

The **Minor Pentatonic Scale** uses scale degrees 1 3 4 5 7 from the minor scale.

Here is the A minor pentatonic scale:

The **Blues Scale** is exactly the same as the Minor Pentatonic Scale, but with one added note between the 4th and 5th scale degrees.

Here is the A blues scale:

All 12 minor pentatonic scales and blues scales (just add the b5 for blues scales)
