

# Mr. Clean worksheet

Freddie Hubbard, arr. AEGriffiths

## Minor Pentatonic Scale for D-7

Get cozy with the notes and then use all of your brain power to focus on TIME and RHYTHM.

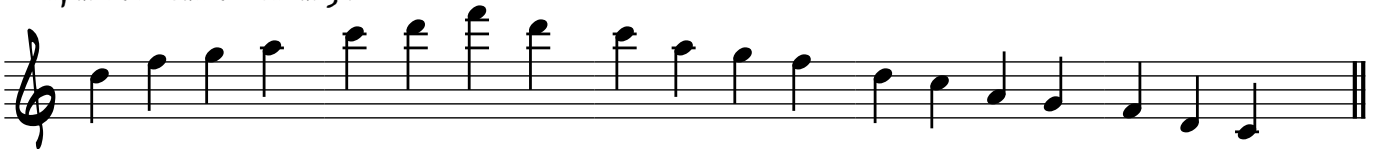

Explore different rhythms to use with just these notes. Here's an example:

Try using the same rhythm but switching out to different notes in the scale:

Expand the scale to full range:

Break it up in different ways, for example:
